

RAMADA
SINGAPORE AT ZHONGSHAN PARK

leave the rest to us®

With 540 square metres of meeting and banquet space as well as an alfresco poolside terrace, the Ramada Singapore At Zhongshan Park offers the perfect setting for corporate meetings, private parties, weddings and social events.

The hotel's two function rooms are equipped with the flexibility to accommodate events requiring various configurations. Overlooking the serene setting of Zhongshan Park, Zhongshan Meeting Room offers verdant views of Zhongshan Park with an abundance of natural light streaming in. A partition allows the room to be split into two rooms for smaller functions.

For a grand event or banquet, the pillar-less Balestier Ballroom with a ceiling height of six metres is an excellent open space and is installed with intelligent audio-visual equipment. The ballroom can be partitioned into three separate rooms, each fitted with its own motorized screens, which makes it ideal for smaller functions.

Meanwhile, the beautifully landscaped event lawn by the pool creates an inviting ambience for a cocktail under the stars or an intimate alfresco dinner for cozy gatherings.

Complemented by our experienced event planners and dedicated banquet team, rest assure your event with us will be a seamless one.
