Ramada by Wyndham Singapore At Zhongshan Park Unveils A Truly Singaporean Experience with New Ubin Zhongshan Park

19 November 2018, Monday – After a tantalising five and a half years of dining experience, the Flavours At Zhongshan Park will be drawing its curtain for a week-long of enhancement work. The space will re-emerge on 1st December 2018, New Ubin Zhongshan Park, part of the local restaurant chain, New Ubin Seafood.

Since its introduction to the Singapore food scene in May 2013, Flavours At Zhongshan Park has garnered great support from patrons locally and internationally. Over the past years, Flavours has created various tantalizing dining experiences; from Peranakan, Modern Asian, Hawkerlicious seafood wok-fried series to a refreshing ala carte dinner menu offering a mixture of Local, Asian and Western favourites. In addition, Flavours has bagged home several accolades and recognitions through the years, such as Wine & Dine Top Restaurant Awards, Singapore’s Best Restaurant by Singapore Tatler and more.

The General Manager of Ramada and Days Hotels by Wyndham Singapore At Zhongshan Park, Tony Cousens, remarked on this transformation, “When one door closes, another opens; we are excited about our new partnership with New Ubin to provide our guests a truly local “zi-char” dining experience at New Ubin Zhongshan Park. Led by Executive Chef Melvin, who is also in charge of F&B operations, as well as Restaurant Manager Irene Loo, had worked hard to bring an incredible dining experience to each and every one of our patrons, and Flavours has been privileged to be a part of many special occasions. We are thankful to their support and look forward to welcoming them in our upcoming venture.”

Originated from Pulau Ubin, New Ubin Seafood has retained its rustic roots and ‘kampong’ essence through the years, while constantly discovering innovative dishes to suit the local taste buds. Together with its two outlets situated at Hillview and CHIJMES, New Ubin Zhongshan Park will be serving a confluence of hearty Tze char with the freshest produce in a laid-back and relaxing environment.

"The Pang Family is pleased to announce the opening of our third dining outlet, New Ubin Zhongshan Park, residing within the hotel, Ramada Singapore At Zhongshan Park. This is a momentous venture with HH Properties Pte Ltd. The location of this outlet, Balestier, is a stone's throw away from our previous Sin Ming eatery - where we welcomed guests from across the island, for over 10 years. Hence we look forward to this "homecoming", in an area that is known for being one of Singapore's treasured food hot-spots; which is again hidden in an oasis of tranquility, where you can escape from the hustle and bustle of busy Singapore. As with our existing eatery at Hillview, and restaurant at CHIJMES, the motivation of New Ubin Zhongshan Park remains the same - to bring a Truly Singaporean experience to all customers through our food and hospitality. It remains our family and team's privilege, to continue to share our unique love of modern and traditional fare with you. Look forward to welcoming you to our newest home." added the Pang Family, owners of New Ubin Seafood.

Expect signature dishes like USDA Black Angus "Choice" Rib Eye with Heart Attack Fried Rice, as well as Hokkien Mee Special, amidst other new creations that will only be available at the New Ubin Zhongshan Park.
